Headline:
Scattered showers in the east on Friday.

This Evening and Tonight:
A cloudy evening and night. Chance of some scattered showers this evening across the west this evening, drifting across the east through the night. The odd heavy burst of rain possible. Minimum temperature 12 deg C (54 deg F).

Friday:
Rather cloudy, but some bright or sunny spells too. Some heavy showers are likely inland across the east in the afternoon and evening. Warm in any sunshine. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Showers breaking out by day, these heavier and more widespread than the last couple of days. Haar will affect the coast at times. Quite warm in the sunnier spells.
